## Geoboard Small Group Activity: Making Squares

### MATERIALS:

Geoboards  
Rubber bands  
Geoboard paper  
Rulers

### STUDENT PROMPTS:

Make the largest square possible on your geoboard.  
Divide the square into as many possible equal parts.  
Use the ruler to record your work on the geoboard paper.  
Label the parts as fractions.

I made \_\_\_\_\_  
rows and \_\_\_\_\_ columns.

I divided the square into
